

Christ the King School

A Catholic school serving the needs of the community.

June 6, 2017

Dear Parents/Guardians:

Over the years several parents have expressed a need for child care for their children when there are no classes at Christ the King School during our inservice days. Parents were informed last June that the school board approved a pilot program for 2016-2017 school year for students from Kindergarten to grade 6. As the program proved to be of interest to some of our school community, the program will run again for the 2017-18 school year.
