| BINGO FEES Bingo is an important source of revenue, which our school uses for capital improvements. To keep tuition costs down, parents of Christ the King students are expected to help by volunteering their time at Bingo. All CTK School families are required to work ten (10) bingos per family per year. Any family who works more than the required ten bingos in the year will receive a credit towards the subsequent year's tuition of \$25.00 per additional bingo worked. If a family, for any reason, does not work the required bingos they will be charged a fee of \$50.00 for each bingo missed. Bingo credits earned will be included in the fee statement issued at the beginning of the school year. Families who choose to pay the surcharge still have the option to volunteer for Bingo and earn a \$25.00 tuition credit for each Bingo applied to subsequent year's tuition. For more information about the Bingo, or to read the Bingo Policy, visit the www.ctkschool.ca website and click on the link for "Lennox Club". | \$450.00 per family |
| Families who choose not to work the minimum ten (10) bingos per year will be charged a tuition surcharge. For more information about the tuition policy or any other policies, please contact the school office. | |
